The Human Magnet Syndrome is about common, everyday relationships that many have experienced *But wish they hadn't*. Rosenberg explains why so many people fall in love with a soulmate, but awaken to a cellmate reality. Not only does the book rewrite what is known about codependency and the many insidious and hard to detect forms of pathological narcissism, it explains why the opposite codependent-narcissist attraction force is king! The book breaks new ground in its explanation of Gaslighting and how narcissists use it to entrap the people around them.

ENDORSEMENTS

"I recommend "The Human Magnet Syndrome" to those who work in social services, education, chemical dependency, or the counseling fields and to the people they touch. It's time to wake up and this brilliant book sounds the alarm we need." **- Melody Beattie**

"Born in the cauldron of personal experience of suffering and healing, and honed through years of professional experience, this book will help anyone understand the attractors of love and consequent suffering. I recommend it to couples who are mystified by the depth and repetition of their pain, and to therapists whose destiny is to help them." **- Harville Hendrix**

CODEPENDENCY CURE™ / SELF-LOVE DEFICIT DISORDER™ RECOVERY

Beyond his Human Magnet Syndrome work, Rosenberg continues to create new and exciting contributions to the mental health and addiction fields.

"**The Codependency Cure™"** is Rosenberg's Human Magnet Syndrome work follow-up. Like his first book, he has conceived innovative theories, explanations, clinical models, and techniques of the problem that is responsible for the "Human Magnet Syndrome."

"Self-Love Deficit Disorder (SLDD™)" is the crucial reformulation of the term "codependency." It strips the antiquated and often misused word of its shaming connotations while providing a realistic description of the problem. As most people with SLDD will confirm, they would never be in harmful relationships with pathological narcissists if they had a stable sense of self-love.

"The Observe Don't Absorb Technique" has captured the world by storm, as it (the video) has provided more than **600K YouTube viewers** a powerfully effective tool against narcissistic abuse and gaslighting.
